

Our company safety and hygiene committee, health promotion committee and safety promotion to improve hazardous element hidden in the work place and control safety management and health management for the work place.

The safety and hygiene committee collects “safety slogan” from employee every year-end and among the application, they select the excellent work and decide yearly slogan and monthly slogan.

We assemble safety committee every beginning of month to promote zero-hazard by publicizing monthly magazine “Zero-Ling” and by chanting safety slogan at the same time.

Yearly slogan		“We Yamasui set out zero-hazard to find out hidden danger and invent better opportunity”
Monthly slogan	January	Foreseeing for Risk 3 eyes of watching, realizing and attention
	February	Obeying to working procedure. Don't rush, Don't hurry and Don't be confused.
	March	Reconfirming hanging metals and keep balance
	April	Improving driving safety mind. Early brakes with noticeable mind.
	May	Taking a rest. It is also important work that the worker is tired.
	June	Watch out your scaffold and reconfirm your life cord.
	July	Make a breath before meddle. Prevent from being pinched or being caught in.
	August	Avoid electric shock. Don't touch with wet body.
	September	Promote our safety with effort. The risk will threaten without warning.
	October	Keep health your mind and body. Start from now and from your workplace.
	November	Take action immediately. When you notice any risk.
	December	Relief unsafety effect. Keep clean workplace with 4S
