

Our company safety and hygiene committee, health promotion committee and safety promotion to improve hazardous element hidden in the work place and control safety management and health management for the work place.

The safety and hygiene committee collects “safety slogan” from employee every year-end and among the application, they select the excellent work and decide yearly slogan and monthly slogan.

We assemble safety committee every beginning of month to promote zero-hazard by publicizing monthly magazine “Zero-Ling” and by chanting safety slogan at the same time.

Yearly slogan		“ Keep SAFE for company ! Don’t miss to CONFIRMING for own ! ”
Monthly slogan	January	Foreseeing the first “KYT (prevision of risk)”. Zero hazard even today too.
	February	Lurk dangerous in your work. Attentively for ultra-high pressure.
	March	Respire first before meddle with trouble. Too eager action is the source of accident.
	April	Pedestrian now, drive a car now and change to take bike, then headlong to accident
	May	Impatient into your work, then you are standing on red signal. .
	June	Fasten safety belt tightly on your mind and body.
	July	Don’t touch high-speed and low speed rotation. The risk is the same.
	August	Surprised, Get cold sweat Zero hazard by taking from such experience
	September	Back to safety work from the experienced of incident.
	October	“ Say Good Morning” in the energetic morning, Getting “ Win” from this start dash
	November	Responsibility for all if neglect any dangerous. Keep SAFE with correct procedure 、
	December	Just do it out of saying. You can affect to others feeling.
